

1 **ARTICLE II, DIVISION C – TRANSITION DISTRICT REGULATIONS**

2 **Section 2-1400 TR-10 (Transitional Residential - 10)**

3 **2-1401 Purpose and Intent.** The purpose and intent of the TR-10 district is to:

- 4 (A) Create a visual/spatial transition between the suburban area and the rural area of
5 the County;
- 6 (B) Provide for an environment that is low density in character to facilitate a
7 transition between the suburban area and the rural area of the County;
- 8 (C) Achieve a blend of rural and suburban development;
- 9 (D) Achieve a balance between the built and natural environment;
- 10 (E) Protect drinking water resources; and
- 11 (F) Implement requirements that open space be provided in conjunction with
12 ~~conservation design and other~~ the standards of this Ordinance.

13 **2-1402 Use Regulations.** Table 2-1402 summarizes the principal use regulations of the TR-10
14 district.

15 (A) **Organization of Use Table.** Table 2-1402 organizes the uses in the TR-10
16 district by Use Classifications, Use Categories and Use Types.

17 (1) **Use Classifications.** The Use Classifications are: residential uses;
18 agricultural uses; public and institutional uses; commercial uses; and
19 industrial uses. The Use Classifications provide a systematic basis for
20 assigning present and future land uses into broad general classifications
21 (e.g., residential uses and agricultural uses). The Use Classifications then
22 organize land uses and activities into general “Use Categories” and
23 specific “Use Types” based on common functional, product, or physical
24 characteristics, such as the type and amount of activity, the type of
25 customers or residents, how goods or services are sold or delivered, and
26 site conditions.

27 (2) **Use Categories.** The Use Categories describe the major sub-groups of the
28 Use Classification, based on common characteristics (e.g., the residential
29 Use Classification is divided into two major Use Categories: Household
30 Living and Group Living). Principal uses are identified in defining the Use
31 Category. They are principal uses that most closely share the common
32 characteristics that are key to the Use Category.

(3) **Use Types.** The Use Categories are then divided into specific Use Types. The specific Use Types are included in the respective Use Category. They identify the specific uses that are considered to fall within characteristics identified in the Use Category. For example, single family detached dwellings, multi-family dwellings and town houses are Use Types in the Household Living Use Category.

(B) **Use Categories and Use Types Defined.** All the Use Categories and Use Types listed in Table 2-1402 are defined in Article VIII (Definitions).

(C) **Permitted and Special Exception Uses.** A “P” in the column identified “TR-10” indicates that a Use Category or specific Use Type is permitted as a matter of right (as a permitted use) in the TR-10 district, subject to compliance with all applicable standards and regulations in this Ordinance and all other County ordinances. An “S” indicates that a Use Type is allowed in the TR-10 district as a special exception in accordance with the procedures and standards of Section 6-1300. In some instances, and based on the Additional Regulations for Specific Uses (Section 5-600), a Use Type will be permitted as a matter of right under certain conditions, or allowed as a special exception under other conditions. In those instances, it is identified as “P/S.”

(D) **Reference to General Use Category.** References to “General Use Category” under the Use Type column, means all of the uses in the Use Category are allowed. The Use Categories are defined in Article VIII. Where specific Use Types are listed in the Use Type column, only the listed Use Types in the Use Category are allowed. The Use Types are defined in Article VIII.

(E) **Additional Regulations for Specific Uses.** References to sections in the final column of Table 2-1402 (Additional Regulations for Specific Uses) indicate that the listed use is subject to use-specific regulations. The numbers provide a cross-reference to the “Additional Regulations for Specific Uses” in Section 5-600. All the Use Categories and Use Types listed in Table 2-1402 are defined in Article VIII (Definitions).
